

PRESS RELEASE

TEREX® MPS EXHIBIT AT KOMATEK, ANKARA TURKEY

TEREX® MPS, Mehmet Akif Ersoy Mah.287.SkNo 1/D 06172 Yenimahalle - Ankara Turkey, April 2017.

One of the world leaders of material processing technology for modular, portable and static crushing and screening equipment is pleased announce that they will be exhibiting at the upcoming Komatek Exhibition in Ankara, Turkey.

Terex MPS will attend Komatek in Ankara, Turkey. Terex MPS will be exhibiting on the Terex MPS booth KDO4 Hall K from 3 – 7 May 2017.

Commenting on the forthcoming exhibition, Ozkan Gunel, Sales Director for Central Asia, Turkey and North Africa, said, "Komatek is the great platform for Terex MPS to be able to discuss our extensive modular, portable and static product portfolio. Terex MPS Team Members are looking forward to meeting with customers to discuss with them how we can help create solutions to keep their operations running smoothly through our quality products and dedicated service and support".

Terex®MPS provides a complete range of crushing and screening equipment to customers around the world operating in four key industries:

- Mining
- Aggregates
- Demolition and recycling
- Industrial minerals

Our equipment is designed to produce the highest quality end products in processing hard and soft rock, sand and gravel, ore and industrial minerals.

We provide Modular, Portable and static plants and components - plus full parts, service and maintenance with support you can count on, wherever you are.

We understand your business

We know that you need operational reliability, cost-effectiveness plus outstanding service. We've spent nearly a hundred years building our business around delivering all three. Because when you succeed, we succeed.

World Class Service and Support

With Terex®MPS, you don't just get best-in-class engineering technology. You get the service, training and support to match.

We understand your need to maximize productivity and control operating costs across the working life of every piece of equipment.

We share those goals - and have the solutions to help keep your operations running smoothly, through a dedicated global support network backed by decades of proven experience and expertise.
