

## Registration for the 2017 Hands On Training is Open!

Registration for the 39<sup>th</sup> Annual Hands On Training is now open. Check your August calendars and pencil it in to attend this one-of-a-kind training to be held August 21<sup>st</sup>, 22<sup>nd</sup>, and 23<sup>rd</sup> in Watertown, SD.

Terex Utilities' annual Hands On program has truly evolved over the years. The program provides essential training on the operation and application of Terex® Telelect Digger Derricks and Terex® Hi-Ranger Aerial Devices, and Terex® Auger Drills. The program is designed for customers as well as distributor personnel to participate and understand the proper operations of the equipment. Participants will gain valuable training on the application of the equipment to meet various jobsite requirements, as well as an understanding of work methods and safety procedures.

Scroll down for the registration form. Complete it in full and fax or email it back as indicated. We want to see you at this year's training!
