ATT: MR D BLACK

RefNo: 085579

14 June 1996

ITEM: 14 TONNES MAXIMUM SWL MOBILE CRANE

MODEL: FRANNA 4WD - 14

Receipt of your letter dated 15 May 1996 with enclosures is acknowledged.

Based on the assessment by D Miocevic Pty Ltd of the design calculations and associated data for the above mobile crane, the design will be acceptable to this department subject to the following:

1. Display on the crane a copy of the Load Chart.
2. The unit comply with all the relevant provisions set out in the Australian Standard AS1418.5 - 1995.
3. All structural components shall be welded in accordance with the relevant Australian Standard (eg. AS1554 for Steel Structures), and documentary evidence shall be made available upon request.
4. For inspection/testing of the above plant as required by Occupational Safety and Health Regulation 603A (1), please refer to enclosed "ATTACHMENT 1" - (LIFTING PLANT) dated March 1996.

IMPORTANT NOTE:

You are directed to the requirements of *Section 23(1)(c)*, of the *Occupational Safety & Health Act 1984*, and to inform your client to operate and maintain the above plant strictly in accordance with the information you have provided.

Please advise your client of the provisions of this acceptance letter.

In all communications on the above item please quote number 085579.
