BARRELS

Front Discharge Drum

Rear Discharge Drum

Terex® mixer drums are built with an abrasion resistant (AR) material that provides longer lasting performance. Terex® Front and Rear Discharge drums and fins are available in:

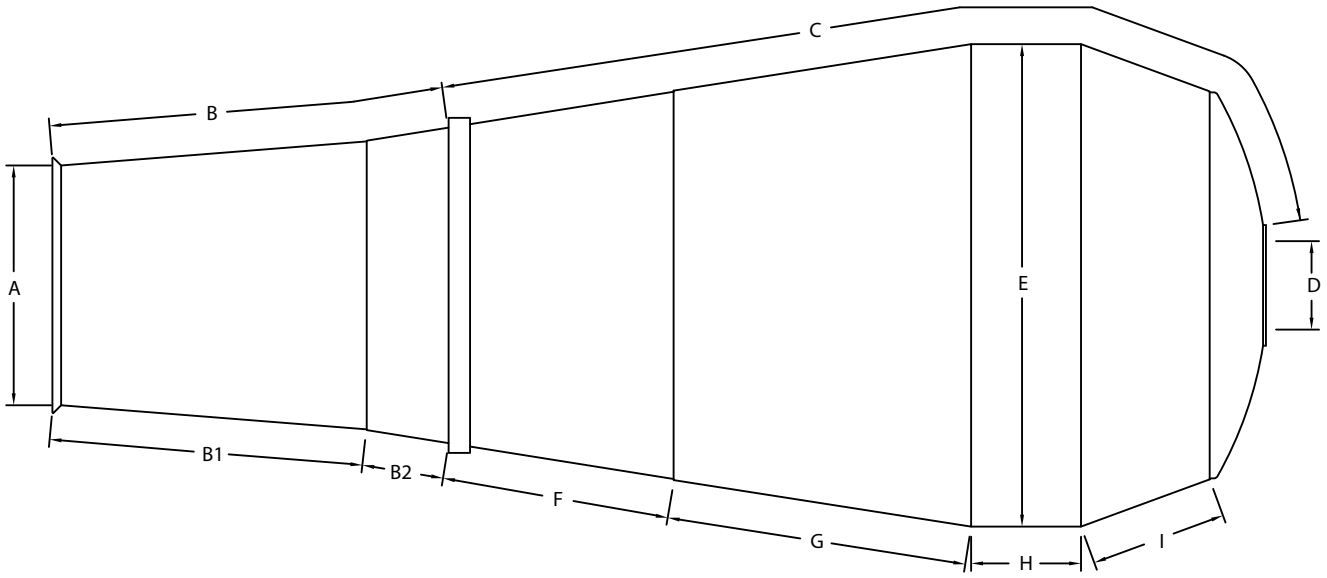

- 3/16-inch AR 230,
- 3/16-inch AR 400 Brinell, and
- 1/4-inch AR 230.

The standard Rear Discharge drum is made with AR 230 - 1/4 mixing fins.

Also available on both the Front Discharge and Rear Discharge is an optional 1/8-inch AR 450 drum with 3/16-inch AR 230 fins. The weight advantage of this drum is 1,000 pounds less, allowing for more payloads while providing superior wear and durability.

As an added service, our Terex service technicians are available to perform measuring, thickness testing and installations at your site. Fin kits to rebuild your drum are available for customer installation, or custom installation by Terex personnel, and are size specific.

The best way to protect your investment and keep costs down is to use genuine OEM Terex replacement parts manufactured to your mixer's exact specifications to maximize productivity.
For more information or to place an order, call toll free (800) 433-6691 or fax (260) 497-0939.

Peter T. Vlahos., Executive Secretary

Request for Replacement of Lost or Damaged Rating Plate

TO BE COMPLETED BY MIXER OWNER:

The undersigned company is the owner of the ready mixed concrete truck or trailer with a rated mixer capacity of _____ cubic yards, to which was attached a rating plate issued by the Truck Mixer Manufacturers Bureau bearing NRMCA Registry No._____. This mixer was manufactured by_____ and bears manufacturer's Serial No._____.

Said rating place was stolen___, lost___, destroyed___, damaged___. I hereby request that the Truck Mixer Manufacturers Bureau issue a replacement rating plate for this mixer.

_____
(NAME OF COMPANY)

_____
(STREET)

_____
(CITY) (STATE) (ZIP)

_____
(AUTHORIZED OFFICER) (TITLE)

The above should be filled out and forwarded to the mixer manufacturer with check *made payable to the Truck Mixer Manufacturers Bureau* covering the charge for the new plate, computed at a rate of $25 per plate.

- OVER -

TO BE COMPLETED BY MIXER MANUFACTURER:

The undersigned member of the Truck Mixer Manufacturers Bureau certifies that it supplied to the owner above named a ready mixed concrete truck mixer of the rated capacity and bearing the rating plate above described. This company will make every effort to assure proper attachment of the replacement plate and certifies that the replacement plate will, to the best of our knowledge, be attached to the standard mixer described above.

Terex Advance Mixer, Inc.
(NAME OF MANUFACTURER)

By_____
(AUTHORIZED OFFICER)

NOTE: The Bureau recognizes that in rare instances records may have been lost or destroyed so that it is impossible for the owner or the manufacturer to furnish information as to the NRMCA Registry Number of the original plate for which replacement is requested. In such case, the manufacturer must execute the following:

The undersigned member of the Truck Mixer Manufacturers Bureau certifies that the replacement plate requested above will be attached to a standard mixer manufactured by this company, with the rated capacity indicated above, and which did originally carry a Bureau rating plate. It is further certified that this mixer still conforms to the Bureau's Standards and is still entitled to bear a rating plate.

Terex Advance Mixer, Inc.
(NAME OF MANUFACTURER)

By_____
(AUTHORIZED OFFICER)

To the Manufacturer: If NRMCA Registry Number is not available for some reason, please give year mixer was originally shipped:_____
