

TEREX®

Terex Utilities

PRODUCT ADVISORY

PA 667

DATE: 8/30/18

REVISED:

TO: Owners, Users, Dealers, Installers and Sellers

Models Affected: All products and parts sold into California

SUBJECT: California Proposition 65

Issue:

All products and parts sold into California are required to have specific warnings which comply with requirements under the State of California Safe Drinking Water and Toxic Enforcement Act of 1986, better known by its original name of Proposition 65 (Prop 65). Businesses must notify Californians about chemicals known to the State of California to cause cancer, birth defects or other reproductive harm in the products/parts they purchase, in their homes, workplaces, or that are released into the environment.

On August 30, 2018, new requirements to Prop 65 will become effective. Information about the requirements are provided on the California web site: <https://oehha.ca.gov/proposition-65/general-info/proposition-65-plain-language>

Action:

What the Seller Must Do:

Businesses selling new or used products or parts into California are required to warn about potential chemical hazards. You are responsible for understanding and complying with all pertinent California Prop 65 requirements. For more details see: <https://oehha.ca.gov/proposition-65/general-info/proposition-65-plain-language>

What Terex will Do:

Terex owned companies ("Terex") comply with Prop 65 requirements for all new and used products and parts sold by Terex into California.
